Date : 16-08-18

Dear Parent,

Grandparents share a very special bond with their grand children. They get along well and are in the happiest state in each other's company. They hold the hearts of grandchildren forever, the love and affection they shower on them is simply unmatched.

So its time for our little ones to thank them for their love, care and warmth. Our pre-schoolers are looking forward to share the day with their grandparents. Let's make the 'Grandparents Day' a memorable one.

➤ Please note -

- All the Grandparents are cordially invited for the event. Incase if they are not able to attend due to any reason, grandparents can write a note for their grandchild, put it in a sealed envelope and send it to the class teacher with a diary note. She will read it for your child. In this way, they can still participate in the event with their grandchildren.
- Grandparents who are attending the event can share an incident, story or song, if they desire.
- On this day the Nursery classes A to E section will be working only till 11:30 am. Children can go with their grandparents. **In case, a child's grandparents are not attending the function, the parent is requested to pick up the child at 11:30 am from the respective classroom.** *This event is intended for children and their grandparents only.* Sorry – our space is limited, so parents and siblings cannot attend this event.
